Welcome Letter to all FSA Scholarship Applicants:

Since 1998, the FSA Scholarship Foundation (FSA) in conjunction with your participating retailer and many of its suppliers has made it possible to award over \$1,600,000 in FSA Scholarships to 710 high school seniors and post high school adults working in the food retail industry.

We are pleased that you decided to apply. Unless otherwise directed by your HR department or your manager, applications must be submitted **electronically** on or before March 1, 2023 on the FSA web site www.FSAScholarshipFoundation.org.

Your application, and the attachments, are the first impression we have of you. A committee will review your submission and score your application. This process will determine if you receive an in-person interview or not. The higher you score, the better your chances are that you may be selected for an interview.

Here is the Scoring Criteria

- Application & Attachments Points: Up to 40 points

Awarded based on your application, your essay, other attachments, and GPA

- Interview Award Points: Up to 60 points

Awarded based on personal presentation, responses to questions, and sincere interest in a career in food retailing

- Total Possible Award Points: 100 points

You will be notified by e-mail the week of March 6, 2023 if you are selected for an in-person interview scheduled for Saturday, April 1, 2023.

Questions or comments should be directed to your store manager, your HR department or to April Fuchs at FSA Scholarship Foundation, e-mail: April@FSAScholarshipFoundation.org

On behalf of the Board of Directors of the
