

OUR MISSION STATEMENT:

“To inspire careers and leadership in food retailing by providing the encouragement, the opportunities, and the scholarships to high school seniors and adults working in the food industry.”

Eric Becker, FSA 2015-2016 President

SCHOLARSHIPS

FSA, with its retail food partners, provides college scholarships to grocery store employees to pursue their undergraduate degrees while maintaining their career interests in food retailing and developing into industry and community leaders.

RELATIONSHIPS

Further, FSA widens acquaintances and social contact and cultivate fellowship and goodwill among the members of firms engaged in the manufacture and distribution of food and beverage products, allied lines, and service-oriented suppliers.

ENGAGEMENTS

Additionally, FSA provides a forum for the dissemination of information by creating interactive fundraising events that engage retail executives and industry experts with suppliers, brokers, and manufactures of the food industry.

A Scottish Experience

The FSA Scholarship Foundation welcomes you to play in the 20th Annual FSA Scholarship Golf Classic supporting deserving individuals working at partner retailers: Albertsons and its family of stores: Albertsons and Tom Thumb, and United Supermarkets' Market Street; The Kroger Company; and Minyard Food Stores and Sun Fresh Markets.

Your generous support has made it possible for FSA to award over \$1,080,000 to 565 young people in our industry.

Thank You!
